You're a great friend and you are even in the same boat as me. We have been friends for only our high school years and I hope that our friendship never will change. I wish we would have been friends sooner. We have had some fun times together. Remo Char's Street; many of our lunches last year. I miss our Algebra II class; we can have Trig together and have a good time. Good Luck in the future and let God watch over you in what ever you may do. Let our friendship grow stronger and go forever.

Future Farmers of America (FFA) is an integral part of the high school curriculum. Students are trained in various fields of animal agriculture, leadership, and citizenship. Participation on district, area, state, and national levels have been beneficial to our students — winning awards on each level of competition. Showing livestock projects and participating in judging contests helps develop confident and well-rounded students. Our Sweethearts have competed and won on the state levels also.

Laura Chance and Jason Hargraves ; Working hard or hardly working?!

Shirley Watson smiles for the camera!

The seven member Panther Paw staff, under the direction of Jason Hargraves, editor, and Mrs. Beverly Davis, sponsor, has had another successful year. While trying to meet their Monday deadlines, their work consists of writing stories about LHS and its students, etc. Odd though it may seem, Panther Paw is not all work and no play. On Tuesday nights they treat themselves to a pizza party.

The Harvester staff is composed of students who apply for placement and are recommended by teachers for their ability to work under stress and pressure of meeting deadlines, who are creative, and have initiative. The tasks of publishing a yearbook are sometimes monumental. Plans must be made for layouts, themes, and pictures. Students must be adept at working in the darkroom, making up copy, and trying to give an overall picture of life at L.H.S. The Students on the staff are also members of Quill and Scroll which is an honorary journalism society. The staff sponsor is Mrs. Carolyn Bass.

Where do I begin? We have had some great times together! Remember my corner - all the cherry-lime aides - me popping the curb - working and always driving by someone's house you know very well. Walking around Hardin - playing tennis. Falling asleep in church - the retreat - "animal crackers" - bop it don't have a head got to eat it! Remember when we got stuck going out to the cut - I couldn't move - almost starting crying - me and Bamz that night - slamming car doors in my driveway - wrestling. Jerry Taylor that was so funny. All the football games. Lunch last year - those guys that came all the way from Beaumont - you taking off in the middle of the conversation - our phone (Vanegas) - the hair - me looking everywhere for that video guy - working in the fair booth - me trying to hang my self on the window blinds. Remember when we hated each other - so how's school? That was our whole conversation. ¡Sí mi bien amiga y may inteligente! ¡NO ESPAÑOL! Whenever you had any things I will be here - you a great person and hope you stay just the way you are! SR'S 1990!

Hey Chic!
 Bear Bear your
 a crazy girl. I
 hope we can have
 as much fun our
 senior year as we've
 had so far. I miss
 those hamburger days
 from last year - Don't you?
 Well much more could be
 said but I'll leave it at
 that! *[Signature]* *SKS*
 Your friend,
 Ms. Minnie Fleming

Regina,

We have had some great times. Sometimes
 it actually scares me the things you, me,
 and John did, but at the time we thought
 we were the funniest people alive. But
 those were really great times and I hope
 you never forget them. Even now that
 were 'mature' we still do stupid things,
 but hey we're entitled. We have an advan-
 tage over most people because we have a
 permanent bond between us that will al-
 ways keep us close, and I am thankful
 for that. You mean a lot to me and I love
 you even more than
 that! Your favourite
 cousin,
Jason
